

Exit rear entrance of Crathes Estate. Jig right & left over road out past Bancon offices to studio. 2M is 100m short of studio. Go straight towards Hirn, turn first right. At end of rd, left into Coupers rd for 200m, right at end of trees onto track. 5M here. Follow this track without any turns (see above) and come out back on tar road at bottom of hill near row of large detached houses. Go right up hill back towards Coupers rd. 8M is 300m short of Coupers rd. Left into Coupers and go to 9.5M and turn right onto a farm track, which is 100m short of a sharp bend left on Coupers. The track is marked by a small black & white farm sign on the right to "Lochside". Follow this track past a house and then piles of logs, then follow track sharp left up hill towards more houses. Here the track turns to tar, does a dog-leg right and comes out at a junction by a bridge. Go right here up slight hill towards Crathes. After 150m the road kinks left and here is 11M. Go straight at next junction and pass 12M which is 100m short of a farm cluster. A bit further on turn left into Crathes Estate and finish on lawn in front of Castle.
